The 24th Annual Update in Acute & Emergency Care Pediatrics Conference

We are excited to invite you to exhibit at the [24th Annual Update in Acute & Emergency Care Pediatrics Conference](#). This year's conference is an in-person event. The conference will be held on April 10 2025, in Chattanooga, TN., and will offer physicians, advance nurse practitioners, nurses, respiratory therapy and pre-hospital providers the invaluable ability to receive practical clinical information about urgent and emergent pediatric challenges in a highly interactive and engaging atmosphere. This annual experience offers more than 100 attendees continuing medical education credit and is a collaborative initiative between Children's Emergency Care Alliance of Tennessee (CECA TN) and Tennessee's four Comprehensive Regional Pediatric Centers (CRPCs). The CRPCs are Children's Hospital at Erlanger, Monroe Carell Jr. Children's Hospital at Vanderbilt, East Tennessee Children's Hospital and Le Bonheur Children's Hospital.

As the 2025 course director, I invite you to join us at The Tennessee Aquarium as an exhibitor. Enclosed is an exhibitor application for completion. This year's conference features experts presenting an engaging curriculum on current topics and trends in pediatric medicine. The conference benefits Children's Emergency Care Alliance (CECA), (www.cecatn.org), a non-profit dedicated to bettering the system of emergency care for Tennessee's children. This is accomplished through education, trainings, public policy and working closely with statewide partners to bring as many voices as possible to the table. CECA TN and the four CRPCs work hand-in-hand to move forward a mission of ensuring that every child in Tennessee receives the best pediatric emergency care in order to eliminate the effects of severe illness and injury.

The conference's joint providers are Children's Hospital at Erlanger, East Tennessee Children's Hospital, Le Bonheur Children's Hospital, Monroe Carell Jr. Children's Hospital at Vanderbilt and CECA TN, signifying a collaboration of statewide pediatric champions. Don't miss an opportunity to network and engage with leading health care professionals from across the state of Tennessee.

We encourage your organization to support this substantial conference as an exhibitor. The exhibit fee provides two representatives with booth space, a meal and snacks. CME or other education credit is not provided to exhibitors without individual registration and payment of appropriate registration fees. Space is very limited, exhibitor applications are due April 1, 2025.

Children's Emergency Care Alliance will be handling the coordination of exhibitors for the 2025 conference. Please fill out the form below to register as an exhibitor and email back to cecatn@vumc.org. Contact Natasha Kurth at (615) 343-3672 or by email at Natasha.d.kurth@vumc.org if you need assistance or have questions. Thank you in advance for making a difference in the lives of Tennessee's children. We look forward to seeing you in Chattanooga!

Sincerely,

Lonnie King, MD
Children's Hospital at Erlanger
